

**NOV 5<sup>TH</sup> 2019 1ST OPEN PILOTS WORKSHOP**

# Welcome and Intro Paolo Lombardi Trust-IT Services, Italy

# Welcome to Pisa!

-  Thank you investing your time in **cybersecurity**
-  Thank you for entrusting **CYBERWISER.eu** with your cybersecurity training needs
-  Special thanks to the 4 European Cybersecurity **Competence Centres** for being here today
-  You will see ‘from within’ what a **training path** on CYBERWISER.eu would look like
-  Today you will start shaping **your own free pilot** on CYBERWISER.eu

# What you are going to take home

-  Facts & figures to support your **business case** on cybersecurity & cybersecurity training
-  An expanded **network**
-  Access to opportunities from the 4 European Cybersecurity **Competence Centres**
-  Guaranteed **access to the CYBERWISER.eu platform**
-  The **specifications** for your own training pilot on CYBERWISER.eu
-  *More? Enjoy the meeting!*
